Office of PCT Legal Administration
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that the attorney named below be advised of the status of the above-identified application.

On July 11, 2007, Applicants filed with the United States Patent and Trademark Office PCT International Application No. PCT/EP2005/000221 as a national-stage application under 35 U.S.C. § 371. Applicants' representatives received a copy of the Early Notification of Serial Number Postcard which indicates this application was originally assigned U.S. Serial Number 11/795,028. This Serial Number, however, is scratched out on the Postcard and Serial Number 10/522,451 appears in handwritten text on the original Postcard. A copy of the Early Notification of Serial Number Postcard is attached as Exhibit A.

Applicants' representatives received a letter dated March 4, 2008 from the PCT Legal

DCI:#8148362v1

PATENT
ATTORNEY DOCKET NO. 39122.00201US

Office indicating that the inventor had previously filed papers requesting entry into the U.S. of PCT/EP2005/000221. (Exhibit B). The letter indicated that communications would not be sent to Applicants' representatives unless a proper Power of Attorney was submitted to the PCT Legal Administration Office. Applicants' submit herewith a copy of a Power of Attorney previously submitted to the USPTO.

Applicants recorded an Assignment against application Serial Number 10/522,451 on March 12, 2008 at Reel/Frame 020642/0019 (Exhibit C). On April 24, 2008, Applicants' representatives submitted a Power of Attorney and Change of Correspondence Address with an Assignee Statement under 37 C.F.R. 3.73(b) to the USPTO's general facsimile number. (Exhibit C).

Accordingly, Applicants respectfully request that Customer Number 38647 should now be associated with application with Serial No. 10/522,451. It is respectfully requested that the attorney named below be advised of the status of the above-identified application, including when an Official Filing Receipt from the Patent and Trademark Office will be issued.

Respectfully submitted,

MILBANK, TWEED, HADLEY & McCLOY LLP

Washington, DC 20009

Dear Mr. Longton:

On 11 July 2007, you filed in the United States Patent and Trademark Office (USPTO) papers requesting entry into the national phase of international application number PCT/EP2005/000221 filed 12 January 2005, entitled Extrusion Coating Polyethylene. The inventors are indicated as Laiho, Erkki; Sainio, Markku; and Haapaniemi, Karoliina. Your attorney docket number is indicated as 37488-01300.

Counsel is advised that the inventor has previously filed papers requesting entry into the national phase of international application number PCT/EP2005/000221 and has appointed lawyers from another law firm to represent them before the USPTO. The US application number assigned to these papers is 10/522,451. The papers you filed on 11 July 2007 have been placed in application number 10/522,451. Since the inventors have previously appointed attorneys, no further communications with respect to this application will be mailed to you, unless a proper power of attorney is submitted to the PCT Legal Administration Office.

Any further correspondence with respect to this matter should be addressed to the Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
